

31 January 2012

Dear Parents

Please note the following important updates:

CAMP INFORMATION

The campsite has informed us that every learner needs to pack the following items in addition to what has been indicated on the checklist:

- Plastic plate & bowl
- Cutlery (knife, fork, spoon)
- Mug/plastic cup
- Washing-up cloth
- Drying-up cloth

We will be departing from school on the 29th of February at 9:00am and arriving back at the school on 2nd March where you can collect your child at approximately 12:30pm.

PHYSICAL EDUCATION LESSONS

As you are well aware, it has been extremely hot lately and the sun is vicious. We ask that you please ensure that your child packs in **sunscreen and a hat** on the days when P.E occurs. (Check dates on the term planner)

DISTURBING INFLUENCE

It has come to the attention of the teachers that a disturbing trend is creeping in at school. This trend appears to include a morbid fascination with death, and the occult. Video clips entitled "Suicide Silent" and "Chelsey Grin" are very unsavoury and some children have these clips on their phones/ lap tops.

We are asking for your support in being more vigilant regarding your child's access to the **internet, video games** and **music** that contain inappropriate lyrics and graphics.

If we find any books, CD's, i-pods, phones etc, with references to any of these disturbing influences they will be confiscated immediately and parents will be contacted.

With thanks and regards

Theresa Minne
